AREAS OF EXPERTISE

Site audits
Relevant legislation
Building materials
Resource efficiency
Data analysis
Consulting

CIVIL ENGINEERING SKILLS

Knowledge of contract technical specifications and their implementation.
Familiar with relevant civil engineering design software eg Microdrainage, Civils 3D. Moderate ability with Auto CAD.
Knowledge of Local Authority Design Guides for Highways in Residential and Commercial Estates.
Superb critical thinking skills and the ability to evaluate designs, plans and projects.
A good understanding of High Voltage substation design.
Promoting the highest standards of safety onsite at all times.
Experience of the road maintenance related services undertaken e.g. winter maintenance, street lighting, traffic management etc.
Designing reinforced concrete structures.
Assessing the environmental impact and risks connected to projects.

Experience of onshore civil/structural design management and execution. Ability to produce technical specifications.
Producing construction methodologies.
Health and Safety awareness.
Experience in various road construction and maintenance techniques.

Awareness of revenue/capital monitoring procedures.

Competent in the use of Design Manuals for Roads and Bridges.
Knowledge of budgeting and the financial monitoring of projects.
Competent in the use of survey equipment.
Experience of drainage and water retaining structures.

PERSONAL SKILLS

Ability to understand and present others' points of view.
Skilled at analyzing and interpreting information.
Good communication skills when dealing with clients, developers, consultants, elected representatives and the public.
Having clarity and sound judgment.
Familiar and competent with Microsoft Office Suite programs.
Having a natural drive with a loyal, strong, and proactive work ethic.
Creative and innovative, with good design skills.
Proven motivational and leadership skills.
A team player with an enthusiastic attitude.

COMMUNITY INVOLVEMENT & RECOGNISED ACHIEVEMENTS

NCC & SCT.
Involved in various cultural activities held at School and College level.

LANGUAGE SKILL

Hindi - Native Tongue.
English – Basic.
Punjabi

PERSONAL COMPETENCIES

Ability to work in a fast-paced environment to set deadlines.
Excellent oral and written correspondence with an exceptional attention to detail.
Highly organized with a creative flair for project work.
Enthusiastic self-starter who contributes well to the team.
Proficient in finding and resolving functions, using technical and communication skills.
Ability to express technical concepts clearly to people with no technical background.
