BE - Computer Engineering

◆ My Mobile: +91 9920776948 ◆ Email: akshaysgupta89@gmail.com
For Verbal Contact Mobile: +91 9869789649 (Father CA Shyamsunder Gupta)

Career Objective:

To work hard and continue my efforts to update my existing technical skill & knowledge to deliver my best, therefore **my hearing disability is in no way a hindrance in my zeal to learn more and more.**

Person with a Disability (PWD):

I am smart and physically fit in all respect except hearing disability in both the ears by birth but my hearing level and speech is much better with Hearing Aids.

My face to face hearing and conversation level is much better and about normal. But mobile is a challenged for me and I can just have short talk and discussion, However, I am much faster on mail and SMS to communicate very effectively and at the same time I had strong technical capabilities.

Professional Synopsis:

- ✓ A result driven professional 8+ years of qualitative experience in Software Development **in Java & J2EE technologies.**
