## Experience

**Infosys Ltd / Specialist** Programmer
JUN 2019 - Present ,  Pune , Maharashtra , India

**Projects** : -

- **Client Name** : Charles Schwab        April 2020 - Present

Worked in a Data Replication project named **DCR** which was mainly focused on decommissioning Squirrel Db and replicating its entire data into newly created MS SQL Server DB using a Spring Cloud Data Flow task. My responsibilities included creating a Job for reading Data from a Squirrel DB in chunks of a few thousand records, Publishing extracted Data to RabbitMQ queue, Consuming the published data through PCF streams, and writing the consumed data to MS  SQL Db using JDBC.

Tools and Technologies: **Java 8, Spring Boot ,ORM, JPA , JDBC ,Squirrel DB , Rabbit MQ , PCF , MS SQL Server, Bamboo, Jira**

- **Client Name**:  Wells Fargo        July 2019 - March 2020

 Worked in a technology stack migration project named **Cornerstone** for American financial services company Wells Fargo. The requirement was to migrate the entire product from IID and IBM BPM to Java Spring Boot and React. As a Java Spring Boot API Developer, my responsibilities included preparing the Design Document after going through the existing functionality, getting the Design reviewed by Leads and doing end to end implementation of reviewed design along with unit testing and code coverage.

Tools and Technologies: **Java 8, Spring Boot, Unit, Mockito, Hibernate, JPA, Oracle DB, Apache Camel, Jira**

## Education

**IIIT Jabalpur /** Bachelor Of Technology
JUN 2015  - JUN 2019,  Jabalpur ,Madhya Pradesh ,India

Completed  Bachelor of Technology in **Computer Science and Engineering** with an aggregate of 6.1/10.

**CNSIC /** Higher  Secondary
2014  -,  Kanpur ,Uttar Pradesh ,India

Aggregate : 91.3 % .

**CNSIC /**  Secondary
2012  -,  Kanpur ,Uttar Pradesh ,India

Aggregate : 86.3 % .

## Certifications

**Introduction To Machine Learning /** IIT Kanpur

Attended and completed a Course on Machine Learning organized by the Department of Computer Science and Engineering ,IIT Kanpur in the summer of 2016.

## Extra Curricular

- Worked  as a  member of the Anti Ragging Team at IIIT Jabalpur .
- Worked as Placement Cell Representative at IIIT Jabalpur.
